

English	Maths	Science
<p>In English this term we will be reading:</p> <ul style="list-style-type: none"> - Meerkat Mails - Dear Greenpeace - Cinnamon <p>We will be sequencing stories, re-telling stories and creating character and setting descriptions. We will focus on how to compose a sentence, and will find out about different word groups including nouns and adjectives. In our reading session we will focus on retrieving information from a text and image and making simple predictions.</p>	<p>In Maths this term we will begin with re-capping our knowledge of place value. We will explore more and less. We will then focus on the four operations, using mental and practical strategies to problem solve. We will explore doubling and halving up to 20. We will explore 2D and 3D shapes and their properties. We will create patterns with shapes. We will also explore halves and quarters. We will explore different units of measure and will learn about position and direction.</p>	<p>We will be learning about Materials and will identify which materials objects are made from. We will classify materials into their properties. We will investigate waterproof and non-waterproof materials. We will also investigate which materials float.</p> <p>In the second part of the Summer term, we will find out about pushes and pulls. We will observe how an object moves. We will describe how to make an object go faster or slower. We will explore gravity as a pulling force.</p>
History	Geography	RE
<p>In History, we will identify and locate our local area and will discuss how it has changed over time. We will research a local landmark. We will explore how homes and transport have changed over time.</p>	<p>In Geography this term we will find out about the UK. We will name and locate capital cities and will name the seas and oceans that surround the UK. We will also explore landmarks of capital cities.</p>	<p>In RE this term, we will be learning about Sikhism. We will identify the 11 Gurus. We will learn about Guru Nanak. We will explore the symbolism behind the 5Ks of Sikhism. We will also sequence the Amrit ceremony.</p>
<h1>Ruby: Summer 2022</h1>		
Art	DT	PSHE
<p>In Art this term we will explore the London skyline. We will identify shapes and patterns and tones of colour. We will blend colours to create backgrounds. We will also adapt and refine our artwork to improve it.</p>	<p>In DT this term we will be designing and making types of vehicles (in connection to one of the books we will read.) We will research transport found in London. We will create our product using wheels, axels and using tools. We will evaluate our product.</p>	<p>In PSHE this term we will focus on groups and communities we belong to. We will explore the importance of asking for help and the skill and qualities needed for co-operation. We will learn about secrets and types of secret.</p>
Horticulture	Spanish	PE
<p>In Horticulture this term we will re-cap the Allotment rules, how we use the tools and equipment, and in particular how to do so safely. We will clear a vegetable bed for Summer crops and collect seeds to sow and save.</p>	<p>In Spanish, we will research where Spanish is spoken and how Spanish speaking countries are different. We will then say and respond to greetings, and learn adjectives to describe ourselves.</p>	<p>In the first part of the Summer term, we will focus on invasion games, developing our skills, resilience and teamwork. In the second half of the Summer term, we will focus on competitive games, developing our striking, fielding, attacking and defending skills.</p>
